Care Instructions

Hand wash all parts thoroughly in warm soapy water before use.

This mug is designed to keep liquid hot or cool for an extended period of time. When using hot liquids, please allow to cool to a comfortable temperature before drinking. Hot liquids may scald the user.

This item includes a screw-on lid. Always check that the lid is secured tightly before and after drinking.

Ensure that the mug is not overfilled.

Do NOT use in the microwave.

Hand wash only. Do not use bleach or chlorine-based cleansers. Dishwashing may damage the mug or lid seal.

Do not immerse in boiling or very hot water as this may damage the mug and lid seal.

Keep out of reach of children when filled with hot liquids.

Instrucciones De Cuidado

Lavar a mano con agua tibia y jabon antes de usar.

Este bote esta diseñado para mantener líquidos frios a calientes por un largo periodo de tiempo. Cuando usen líquidos calientes favor de dejar que se infrie a una temperatura tolerable antes de tomar. Líquidos calientes pueden quemar.

Este bote incluye una tapa de rosca. Siempre asegúre que la tapa rosca este bien puesta antes de tomar.

No usar en microondas.

Lavar a mano solamente. Lavajillas pueden dañar el bote, tapa, y sello.

No usar limpiadores que contiene blanqueador o cloro.

No sumergir bote en agua que esta hirviendo o que esta muy caliente porque esto puede dañar el producto.

No dejar al alcanso de niños cuando tenga líquidos caliente.

How To Use Coffee/Tea Press:

1. Remove lid and filter from the tumbler.
2. Set lid and filter aside.
3. Add pre-ground coffee or tea leaves into the tumbler.

Suggestion - 2 tablespoons per 6 ounces of water.

4. Fill the tumbler with hot water and gently stir.

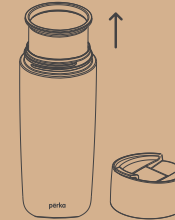

Suggestion - To give your coffee the best possible flavor, use filtered or bottled water.

5. Let stand 3~4 minutes for coffee or tea to steep.

6. Carefully and slowly reinsert the filter into the tumbler until it reaches the bottom of the tumbler. Gently twist the filter as you reinsert it to allow air to escape.

7. Wait for your drink to reach a comfortable temperature for drinking, and screw lid back on to mug ensuring a secure fit to avoid spills.

8. Enjoy!
